

Assistive Technology

Monday, April 14th
10am in BRC Conference Room

Assistive technology is any tool or technology that helps a person complete functional tasks with ease and efficiency. Do you wear glasses, ever used a step stool? If you said yes, then you have used assistive technology. Join us for this session to learn more about different tools that might be helpful for you and your loved ones. Class led by Cassidy Collins with the Coffey County K-State Research and Extension Office.
